

Phyto-EFA™

Wholistic Aging

Phyto-EFA™ contains the correct physiologic ratio of pure, unadulterated, organically certified (grown and processed without chemicals), plant based, unrefined omega 6 and omega 3 fatty acids to support healthy cells, healthy heart, skin, brain, eye, joint, immunity system, adrenal health, and cellular detoxification. These are the only true essential fatty acids your body demands, for oxygenation of cells.

'Phyto-EFA™ facilitate the passage of oxygen into your cells. This is one of the most important key factors in healthy aging and in the support of healthy cells, healthy heart, skin, brain, eye, joint, and immunity system.'
