

# Phytolec +<sup>®</sup>

## Wholistic Aging

Premature aging is a result of biological aging process and chronic low-grade inflammation on the body and mind. Chronic low-grade inflammation and eventually cellular damage are associated with premature aging.

Phytolec+<sup>®</sup> support healthy cellular and tissue health.

Phytolec+<sup>®</sup> is a synergistic formulation created by award winning medical herbalist Sebastian Liew. It consists of certified organic whole herbal extracts to support:

- ✓ Healthy Joint;
- ✓ Healthy Cholesterol;
- ✓ Healthy Ocular health;
- ✓ Healthy Cognitive function;
- ✓ Healthy Blood glucose levels;
- ✓ Healthy Endothelial Function.

*'This is one of the most essential supplements for healthy aging.'*

*Sebastian Liew*
